

PUBLISHING AGREEMENT - THE JOURNAL OF INTERNATIONAL MEDICAL RESEARCH

CONTRIBUTION: _____
_____ ("The Contribution")

AUTHOR(S): _____

To be completed by all authors if owner(s) of copyright in The Contribution

Copyright Assignment

In consideration for publication in *The Journal of International Medical Research* of The Contribution, I(we) hereby assign to Field House Publishing (the "Publisher") copyright, in The Contribution for the full legal term of copyright throughout the world in all formats and through any medium of communication.

Warranty: I(we) represent and warrant that (i) The Contribution is my(our) original work; (ii) The Contribution has not been published before, (iii) that any conflicts of interest have been declared; (iv) that The Contribution contains no illegal statements, does not infringe any rights of others, and does not constitute defamation, invasion of privacy or other tortuous injury to any third party; (v) I(we) will not have entered into or become subject to any agreement, or understanding with respect to The Contribution that subjects me(us) or The Contribution to restrictions that are inconsistent with this Agreement; and (vi) I(we) have obtained all necessary permissions for the reproduction as part of The Contribution of copyright works (including artistic works, e.g. photographs, charts, maps, etc.) not owned by me(us) for publication in all languages and in all formats (print, electronic/digital).

Indemnity: I(we) agree to indemnify the Publisher and its affiliates against any claims and agrees to pay all costs (including reasonable attorneys' fees) arising out of or in connection with a breach of any representation contained herein or the publication of The Contribution in accordance with the terms of this Agreement.

Conflict of Interest and Financial Disclosure

In accordance with recommended publishing practices to ensure balance, independence, objectivity, and scientific rigour in journal articles all authors must declare any potentially conflicting interests, such as significant affiliation or financial involvement with: (1) the manufacturer(s) or their competitor(s) of any commercial product(s) discussed in The Contribution; (2) the provider(s) or their competitors of any commercial services discussed in The Contribution. This information will be held in confidence while the paper is under review and will not influence the decision to publish however a disclosure statement will appear with the article on publication.

(Please tick **one** box)

- All financial and other conflicts of interest are fully declared in a separate section at the end of the manuscript labelled 'Conflicts of Interest'
- I/we have no conflicts of interest to declare in relation to this article

Conditions of Publication

If The Contribution has been previously submitted and rejected by another journal, this should be declared and peer review comments should be submitted with the manuscript.

The Publisher's liability for ANY claim arising out of this Agreement shall be limited to proven, direct damages incurred. In no event shall the Publisher be liable for special, indirect, incidental, punitive or consequential damages, including, without limitation, lost profits.
